

DESIGN A BOOKMARK

Competition

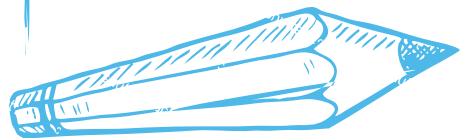

Do you enjoy reading books and creating art? If so, here's a competition for you to design a bookmark that illustrates 'Your Love of Books'. It can be a picture of your favourite character or book, a written phrase in English or Welsh, an illustration of you reading a book, or anything that shows why you like to read or listen to stories.

Fill in all the information on the cut-off slip opposite and either hand your design to your teacher before 18th March, or post/email it to the given addresses to arrive no later than 18th March.

The lucky winner will receive a goody bag, have their design credited and reproduced as printed bookmarks and be given 10 copies to keep.

- Entry is free and the competition is open to all children, under the age of 12, and you can enter more than one design if you like.
- The size of the bookmark should be exactly 21cm by 4.5cm.
- The design should be one-sided and can be in colour or black & white.
- Your creation can be in any medium (paint/ink/computer graphics etc) as long as it doesn't use drawings or computer artwork by anyone else.
- Entries should include your details and a brief explanation of your design, plus ask an adult to provide contact details and sign the form.
- If you send your design via email it needs to be high resolution, ideally 600 dpi and also include a completed copy of the permission slip.
- Judges are a panel of local businesses who are kindly sponsoring Monty Lit Fest. The winner will be notified by 30th March.
